Cooperation for furthering fraternity life, in harmony with its best possibilities, is the ideal that shall guide our fraternity activities. Vice President of External Recruitment- ***Emma McAskill***

- I am going to be starting something new at Panhellenic meetings! I am calling it Panhellenic Sister Shoutouts.
- Before every Panhellenic meeting, I'll be putting this vase in the front of the room along with index cards and pens. So, you all can come up and write a small positive notes about your chapter, your sisters, or even your Panhellenic friends. I will then be reading all or some of the shoutouts, depending on time, aloud during my report.
- It's just a small thing to continue to promote women empowerment within our community.

Vice President of Recruitment Guides- ***Gaby Laurel***

- Another reason for being a Rho Gamma from Tasha Bridenback from Theta says: Being a Rho Gamma was 100% the highlight of my time being a Greek woman. I absolutely loved the experience of helping new women find their homes, but what I gained the most is the pride I now have for the Panhellenic community. Never did I expect to meet such wonderful women outside of my chapter that I love just as much, if not more, than people within my own chapter. Being a rho gamma also gave me the opportunity to miss my

own chapter and have a new found love for it as well. If anyone is even considering being a rho gamma, they should because if they don't, they'll regret it.
