- Hello everyone! Happy Wednesday!
- Just a reminder that the first New Member Education meeting is tomorrow @6:00pm on Zoom. Chapters make sure your new members have the link and continue to let me know if any of your girls will be unable to attend any of the meetings.
- The excuses I will take are classes, internships/work, University sponsored events, and religious holidays. Chapter events that were planned far in advance also count, meaning if you haven't told me about it by now, I cannot excuse it save for unprecedented circumstances. The Zoom call will be recorded and provided to you to make accessible to your new members that can't attend. If an entire new member class cannot attend I will host a makeup meeting with them.
- And for the record the meeting topic is Panhellenic History where I will be going over the founding of Panhellenic and more. Can't wait to see all your new members there!

Vice President of Risk Management- **Avery Royston: ucfpanrisk@gmail.com**

- Thank you to everyone who came out to the pan pride speaker last Wednesday! If you would like Jessica's contact information, just reach out to me and I'll send it to you!

**(561) 596 - 5738**

- Hi, hope you guys have had an amazing week so far
- Starting this week I will be having a rho gamma talk about her experience or give you a few reasons on why to become a Rho Gamma for Spring!
  - Gabi Grimmer: Being a Rho Gamma is hands down the best experience I have had at UCF. There is something so special about your relationship with your PNM's, that untouchable bond alone is enough to make me want to relive the experience all over again. You develop this connection to Pan that you never had before. Going through this process brings you so much closer together to your fellow rho gammas and it's a wonderful reminder as to why I became a Panhellenic woman in the first place. You are the epitome of Panhellenic to your PNM's when you become their rho gamma, and they entrust in you to guide them through what may be the next few years of their lives as sorority women. If it weren't for my rho gamma, I wouldn't have joined a sorority to begin with. Her guidance is what helped me make the decision to run home to my chapter, and for that I will forever be grateful. Being a rho gamma is such a rare and memorable experience, don't miss out!
- If you want to learn more about my position just reach out and let me know! My email is [ucfpanrecruitmentguides@gmail.com](mailto:ucfpanrecruitmentguides@gmail.com) and my number is 561-596-5738
- Have a great rest of your week, stay safe and healthy!!

Vice President of Administration- **Kayla Calvo:** [ucf.pan.vpa@gmail.com](mailto:ucf.pan.vpa@gmail.com) **(954) 804-7424**

- Hi everyone!
- Pan Dels: I have just sent out a reminder email to all of your chapter finance chairs about NPC Dues. Please make sure they are on top of this so we can avoid fines
- Continue to come to PAN for fun surprises!! Also get that attendance check baby!!
- PAN poll: weekly vs bi-weekly
  - Poll was conducted and in a 10 vs 2 vote in the affirmative for bi-weekly, PAN meetings will be every other week
- Pan minutes are always on the website
