READING OF THE PANHELLENIC CREED

We, as undergraduate Members of women's fraternities, stand for good scholarship, for guarding of good health, for maintenance of fine standards and for serving, to the best of our ability, our college community. Cooperation for furthering fraternity life, in harmony with its best possibilities, is the ideal that shall guide our fraternity activities. We, as Fraternity Women, stand for service through the development of character inspired by the close contact and deep friendship of individual fraternity and Panhellenic life. - Reason number 1 from Benee Benardo in Pi Beta Phi: "It was the best experience of my life 100%. I thought everyone who had done it before me was over hyping it but they were not at all. Being able to help women find their chapters watch them grow throughout the week was so special. I have made so many friends in other chapters, gotten closer to the sisters in my own chapter, and even found a Panhellenic little. It

really is an experience like no other. I have grown so much as a person and I wish I could do it again.”
