READING OF THE PANHELLENIC CREED

We, as undergraduate Members of women's fraternities, stand for good scholarship, for guarding of good health, for maintenance of fine standards and for serving, to the best of our ability, our college community. Cooperation for furthering fraternity life, in harmony with its best possibilities, is the ideal that shall guide our fraternity activities. We, as Fraternity Women, stand for service through the development of character inspired by the close contact and deep friendship of individual fraternity and Panhellenic life. The opportunity for wide and wise human service, through mutual respect and helpfulness, is the tenet by which we strive to live.

- Today's reason to become a rho gamma is from Mady Lear in Alpha Epsilon Phi: "I HIGHLY encourage everyone and anyone to apply to be a Rho Gamma. It has made me have such an appreciation for my community and other Panhellenic sisters. Giving back to this community and helping the future Greek women find their homes was definitely one of my favorite college experiences yet. I laughed way more, learned way more, and grew way more as a person than I thought I ever would. Hands down was the best experience and if anyone wants to become more involved, meet amazing women, and see how awesome our community as a whole, then being a Rho Gamma is the best way to do it."
