Vice President of Recruitment Guides- ***Gaby Laurel***

- Sorry I've been MIA my internship is intense
- Today's reason is from Sabrina Warren and Flash from Delta Zeta "It truly is life changing. I have been going to all the pan meetings since my sophomore year and have been involved in a few philanthropy events hosted from other chapters and have met

plenty of pan women from that, but being part of panland gives you such different friendships. These girls feel like your sisters. It's so hard to even begin to explain. And helping find girls find their forever home is just as incredible. You get to be these girls support systems. In a week you grow so close to them and its fantastic. And you get to truly appreciate Panhellenic as a whole. I would recommend being a Rho Gamma to anyone. It's an experience like no other and one you will not truly understand or appreciate until you experience it yourself. “
